

Grevillea "Fireworks"

full sun

frost
hardy

1m

75cm

FEATURES

- Bright red and yellow flowers from autumn through spring
- Soft blue green foliage
- Both frost and drought tolerant once established
- Bird attracting

USES

- Flowers occur on the ends of short branches making this a great feature or pot plant

POSITION

Prefers a full sun position in a well drained loam or sandy soil

CARE

Mulch well to retain moisture. Feed using a sustained release fertiliser for natives. Although drought tolerant Grevillea will produce more flowers when watered regularly. Prune after flowering to maintain compact and dense growth habit
